

## **Accessibility statement for SensusAccess 4.3.16**

This accessibility statement applies to the SensusAccess (v. 4.3.16) web form for converting media to alternative, accessible formats.

This application is run by Sensus ApS. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- Change colours, contrast levels and fonts using browser or device settings
- Zoom in up to 400% without the text spilling off the screen
- Navigate the application using a keyboard or speech recognition software
- Operate the application using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the text as simple as possible to understand.

[AbilityNet](#) has advice on making your device easier to use if you have a disability.

### **How accessible this website is**

Sensus is committed to making its service accessible, and the SensusAccess web form is *fully* accessible.

### **Feedback and contact information**

If you find any problems not listed or think we're not meeting accessibility requirements, contact: Lars Ballieu Christensen at [lbc@sensus.dk](mailto:lbc@sensus.dk).

We'll consider your request and get back to you in 1-2 days.

## **Enforcement procedure**

The Equality and Human Rights Commission (EHRC) is responsible for enforcing the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018 (the 'accessibility regulations'). If you're not happy with how we respond to your complaint, [contact the Equality Advisory and Support Service \(EASS\)](#).

## **Technical information about this website's accessibility**

Sensus is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

## **Compliance status**

The website has been tested against the Web Content Accessibility Guidelines (WCAG) [2.1 or 2.2] AA standard.

(a) This website is fully compliant with the [[Web Content Accessibility Guidelines version 2.1](#) AA standard or [Web Content Accessibility Guidelines version 2.2](#) AA standard].

## **What we're doing to improve accessibility**

Sensus endeavours to maintain an accessibility level of all interfaces in accordance with the latest version of the WCAG specification.

## **Preparation of this accessibility statement**

This statement was prepared on 21.08.2024. It was last reviewed on 27.08.2024.

This website was last tested in August 2024 against the WCAG 2.2 AA standard.

The test was carried out by Sensus in-house accessibility consultants. A comprehensive audit of the web form was carried out to the WCAG 2.2 AA standard.
